Hi, Bob. Thanks again for the feedback. You indicated this morning that Mr. Bish should send you the company license for Mastec. He does not have the license; however, I did find that Mastec sent the board a letter in May of 2017 indicating Mr. Bish was no longer with their company and he should be disassociated with Mastec. Will this letter suffice or do I need to provide you other documentation?

Thanks,

Hi, Bob. I was following up regarding the below email. Were you able to determine if the attached information was sufficient to grant George Bish his license?

Thanks,

Crystal,

I will update your address but cannot issue a business license until I receive the old business license from Mr. Bish.  
(Mastec alarm business license # 5844 which does not expire until 3/31/20)
